

estate next Spring.

The Ecumenical Council began its session, at Rome, on the 8th inst., amid the ringing of bells and posing witnessed in the historic city of seven bills for a century. The council is unquestionably one of the most learned bodies ever assembled in the world. Its deliberations are awaited with deep interest.

Governor Ashley Removed. The President has appointed Gen-

that the selection of Ashley for the conclusive against it. responsible position of Governor of Montana, was an unwise one, and we are very glad the President has removed him, in conformity with the following memorable expression of his:

"If I should fail in my first choice of officers, I shall not at any time hesitate to make a second or even make no difference."

services rendered the country by General's Report is worthy of note: Union men during the late war .--States, he says:

"I sincerely regret the increasing physicial infirmities which induces you to retire from the bench, and, with the assurance of my personal it must be especially gratifying to yourself to remember, as it is my agreeable duty and privilege on this occasion thus distinctly to recognize, the great service which you were able to render to your country in the darkest hour of her history tude as well as by private affection, Keeping." "I remain, very respectfully yours, "U. S. GRANT."
